### OUR MANDATE:

*Restoring God's love to the "world", through social work services by protecting and strengthening children, families and communities.*

*The purpose of this newsletter is to share what we are busy with as CMR Mpumalanga. With this news we hope to be more visible, to inform, to have timely and helpful information.*

### A Baby in Dustbin

The office of CMR Ermelo received a phone call from a local business. The social worker was informed that a young lady walked into their offices with a new born baby girl that she found in a dustbin.

On arrival at the scene, the social worker found that the baby girl was placed in a black material bag, wrapped in clothing with no identification, but only with this note:

I don't have money to buy food and clothes for these child so please anyone who can take her as her child!! I love her so much!!

We are happy to announce that it is shortly over a year now and with all the trauma this little baby went through after being born are now healed and blessed with a new place, Mother & Family.
