

TO DONATE TO CMR MPUMALANGA, FOLLOW THESE EASY STEPS

DOWNLOAD THE SNAPSCAN APP AS FOLLOWS:

1. Access your phone's app store / play store and search for SnapScan.
2. Download and open the app (it is less than 5 MB, so it is not using very much data).
3. Open the app.

SETTING UP THE APP:

1. Follow the prompts starting with your email address, and then fill in your personal details (name, phone number).
2. You will have been sent a confirmation email, go to your email account, open that email and click on the link.
3. You will then receive a verification code by SMS, put that code into the field provided.
4. Load your card by selecting "add card", and you will then fill in the card details (account holder, CVV) *(You can either load your card by holding it against your phone, or by typing the details on the keyboard)*

(on the left is an example of where you will find the CVV number on the back of your card)

5. Choose your pin.

And you are set up!

HOW TO DONATE:

1. Log onto your app, press the photo icon, scan the above code, and choose the amount.

Anyone with queries to us, please contact hello@snapscan.co.za for assistance.
